

For someone who acts impulsively

...immaaa! Did you take that red bag from the kitchen?

No... and trust me, mum,
I haven't even seen it!

...Are you sure? Because I'm visiting the Beans family for a dinner party tonight...

...and I bought some special cookies for their lovely dog!

For someone who is being indecisive

WITCH-O-MOLIC TA

„I've been in here forever, and I still can't make up my mind! I like this one, but it's too small!“

„This bathing suit is also nice, but those stripes are so impractical!“

„Excuse me, but do you have anything in a larger size and something more comfortable?“

FOR SOMEONE WHO CANNOT RELAX

"Look, Inma! There's the Great Bear,
the brightest constellation!"

"It's amazingly peaceful here! I feel
like I'm becoming one with nature!"

"Don't you feel that fascinating
relaxation while watching the stars?"
